Mr. Dennis Piper
Dennis Piper & Associates P.C.
811 Boyd Ave, Suite 205
Pittsburgh, PA 15238

Dear Dennis:

I am sorry I haven't been able to reach you via telephone but before too much more time passes, I do want to let you know that I have retired from Arisaka, effective June 30 of this year. I also wanted to thank you and your staff for twelve years of outstanding QuickBooks tutoring, and accounting services and advice.

I have taken the liberty of speaking with Marian, Cathy and Kim to let them know that I've retired from Arisaka, and to thank them for all the assistance, training, and encouragement they have provided over the years. Thanks, too, to Cleveland and Alicia for their support, especially at tax time! Your firm played a vital and visible role in each of Will's companies, and we will always be indebted to you and your staff for the many years of exceptional service and advice you provided to us.

On behalf of Will and Cherith and Will's partner, Walter Fowler, I thank you, and wish you and your company continued success in the years to come.
